Act of Spiritual Communion

My Jesus,

I believe that you are present in the Most Holy Sacrament.

I love you above all things, and I desire to receive you into my soul.

*Since I cannot at this moment receive you sacramentally,
come at least spiritually into my heart.*

I embrace you as if you were already there and unite myself wholly to you.

Never permit me to be separated from you.

Amen.

Thank You

A very sincere word of thanks and appreciation to all those who made their parish contributions during the week. In these challenging times your support and solidarity means a great deal. The amount lodged was:

Strength of a Mountain

God took the strength of a mountain,
The majesty of a tree,
The warmth of a summer sun,
The calm of a quiet sea,
The generous soul of nature,
The comforting arm of night,
The wisdom of the ages,
The power of the eagle's flight,
The joy of a morning in spring,
The faith of a mustard seed,
The patience of eternity,
The depth of a family need,
Then God combined these qualities,
When there was nothing more to add,
He knew His masterpiece was complete,
And so, He called it ... Dad

Return to the Public Celebration of Mass and the Sacraments

A return to public worship, even gradually, will be a source of great joy and hope to our parish. Public health considerations will, however, require some practical adjustments to the way we celebrate our liturgies. We will make every effort to support active participation and prayerful and joyful celebration.

Public health authorities advise that people should maintain physical distance from each other (currently at least 2 metres). In our churches this will mean that the maximum number of people who can be accommodated will be much reduced. The demands of physical distancing will also need to be considered in relation to people entering the church and leaving it. Our parish will follow the most up-to-date public health advice and associated regulations and obligations.

To reduce the risk of transmission of Covid-19, public health advice emphasises the importance of strict adherence to **physical distancing, good hand hygiene and respiratory etiquette**, and **regular cleaning and sanitising of shared spaces**.

In all circumstances our safety and health must be paramount.
