### [Click to Pray](#)

In January 2019 Pope Francis launched a website and app to encourage Catholics around the world to pray with him. **Click to Pray** tells the user what Pope Francis is praying for on a given day, month or during special moments in the life of the church. We all recognise how interconnected we now are and as Christians and global citizens we face critical issues such as conflict, forced migration and ecological change. The website and the app are important resources that will allow individuals and parish communities to join Pope Francis throughout the Diocesan year of Reflection and Prayer. The app can be accessed via Apple app store or via Google Play. The website can be accessed by clicking the link below:
