### World Day of Prayer for the Sick

Next Sunday, 11th February is the Feast of Our Lady of Lourdes and it is also World Day of Prayer for the Sick. This year's theme is "*It is not good that man should be alone.*" *Healing the Sick by Healing Relationships.*

In his message for World Day of the Sick, Pope Francis tells us "*Brothers and sisters, the first form of care needed in any illness is compassionate and loving closeness. To care for the sick thus means above all to care for their relationships, all of them: with God, with others - family members, friends, healthcare workers - with creation and with themselves. The sick, the vulnerable and the poor are at the heart of the Church; they must also be at the heart of our human concern and pastoral attention.*"

### Ash Wednesday - 14th February

- *Before you sleep name one thing for which you are grateful each day.*
- *Other's love for you is God's gentle hand on your shoulder.*
- *Children may wreck a house, but they can hold a home together.*
