A Prayer

Loving God, Healer and Comforter, we pray for those who suffer from dementia and in a special way for their caregivers.

Give them patience as they work through familiar daily scripts and questions asked, answered and asked again.

Give them long memories to recall the fullness of their loved one's life beyond these moments of forgetting. God of all mercies, sustain those who care for others. Grant them what they need for the moments ahead.

Amen.

Thank You

A sincere word of thanks and appreciation to all those who made their parish contributions during the week. Your support and solidarity means a lot.
