### **World Day of the Sick**

This Tuesday 11th February is the Feast of Our Lady of Lourdes and is World Day of the Sick. The theme this year is "*Hope does not disappoint*" (Rom 5:5) *but strengthens us in times of trial.*

*'Dear brothers and sisters who are ill or who care for the suffering, in this Jubilee you play an especially important part. Your journey together is a sign for everyone: a hymn to human dignity, a song of hope. Its strains are heard far beyond the rooms and beds of health facilities, and serve to elicit in charity the choral participation of society as a whole in a harmony that is at times difficult to achieve, but for that very reason is so comforting and powerful, capable of bringing light and warmth whenever they are most needed'. The whole Church thanks you for this.* (Pope Francis)

### **The Pope's Monthly Intention:**

*For Vocations to the Priesthood and Religious Life.*

Let us pray that the ecclesial community might welcome the desires and doubts of those young people who feel a call to serve Christ's mission in the priesthood and religious life.

*God of love, you enter into our Spring seasons, into our deepest places of inner dwelling, into the heart of our transformation.*

*You give us glimpses of the truth.*

*May we allow our experience of Spring to speak to us of necessary change and growth.*

*Grant us an openness to the continuous process of letting go and moving on that is a part of the human condition.*

*We are grateful that you are our faithful companion on this journey. Amen*
